Taste The Best!

Since 1908, Lane Southern Orchards has planted, grown and harvested the best-tasting peaches and pecans in Georgia. With over 5,000 acres of peach trees and 5,000 acres of pecan groves, we are one of the largest growers in the United States.

While traveling through Middle Georgia, plan your rest stop just five minutes off I-75 and visit our Roadside Market and Café. Sample homemade favorites like peach cobbler, peach ice cream, lip-smacking barbecue, homestyle cooking and our all you can eat salad bar. Then, grab a spoon and a front porch rocker for a real relaxing break served up with genuine southern hospitality.

Seasons:

Strawberries:

You pick available
April & May

Peaches:

Mid-May – August

Corn Maze:

Get Lost in October

Pecan:
