## MILES *through* TIME

WHERE THE PEDAL MEETS THE PAST

Miles Through Time is a nonprofit, "living" co-op-style automotive and history museum in Clarkesville, GA.

Automobiles, memorabilia and historical exhibits have all been donated or belong to those who support the museum and the historical preservation mission of Miles Though Time. This is not one man's collection but a cooperative collection of dozens of supporters.

This unique exhibit style makes the museum ever-changing, unlike some museums and collections that may remain static for years. This is not the case here, as we are frequently changing and expanding our displays.

### EVENTS

Miles Through Time is the place-to-be for car shows, cruise-ins, and events. Check the calendar on our website for details. If you would like YOUR event held at Miles Through Time call to reserve your date.
