Experience all this and more in the immersive galleries and interactives at the **World War II Home Front Museum**.

4201 1st Street, St. Simons Island, GA 31522

The Museum is housed in the Historic St. Simons Coast Guard Station, built in 1936. **Step back to April 8, 1942** when the crew from this station rescued survivors of two American ships torpedoed by a German U-boat 13 miles off St. Simons Island.
