TOYLAND

A Priceless Family Experience

Welcome to BabyLand General Hospital, home of the world famous Cabbage Patch Kids and Little People soft sculptures. Relax in a rocking chair on our porch and take in the view of our beautiful grounds and the surrounding mountains of North Georgia.

Watch a live delivery from our Magic Crystal Tree and help name the baby. Pre-planning is available for those who wish to adopt and name a particular baby and view its delivery.

Imagination at play

Let your imagination play as you wander through the different scenes on display. Children can help our staff take care of the babies, pretend to cook a delicious meal in our play kitchen or dream of being a prince or princess living in a castle. In addition to our soft sculpture Originals, we have Exclusive Cabbage Patch Kids and toys in a wide range of adoption fees.

Step into our nurseries filled with original hand-sculpted kids and babies born in Cleveland, Georgia. Hand stitched to birth by local artists, no two Originals are ever exactly alike. Available only at Babyland and on our website.

Enjoy the world's largest selection of Cabbage Patch Kids in one location, together with lots of plush animals and other toys and gifts for boys and girls.

Our child's party room can accommodate up to 25 guests. Ask about our birthday party packages.

Let us host your next event! Our elegant 4000 square foot ballroom can accommodate up to 280 guests. Perfect for weddings, special events and meetings.

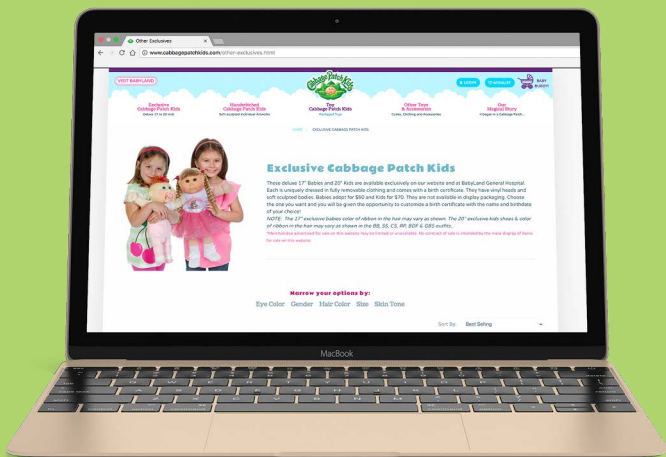

Come inside and meet some of the earliest Little People dating back to 1977, forerunners of the Cabbage Patch Kids. Some are valued at more than \$10,000.
