The DeSoto Beach Hotel

At the DeSoto Beach Hotel, we strive to recreate for every guest that same experience that the old DeSoto Beach Club, which opened in 1940, was to generations of travelers and Tybee Island, GA locals. The buildings and amenities at Tybee's only beachfront hotel may have been renewed and updated, but our soul remains the same. The magnificent old hotel, all red Spanish tile and palm-lined gardens, was a landmark not just for the Island, but also for the whole Southern coast.

Located just steps from Tybee Island's beautiful beach and only 20 minutes from Historic Downtown Savannah. You will be glad you stayed with us!
