

Growing For You Since 1943

Mercier Orchards is a family and veteran-owned and operated apple orchard now in its 4th generation, started back in 1943 by Bill & Adele Mercier.

Our Bakery, Farm Market, Winery & Hard Cidery, and U-Pick events make us a great destination for the entire family. Be sure to pick up some delicious fruit, fresh baked goods, apple cider, and other specialty items from the market when you visit.

Located in Blue Ridge, Georgia, we are one of the top agritourism destinations in the whole state and just one trip will show you why!

October	Apples

Farm Market

Everyone in your family will find something they love in our farm market. We have a wide selection of items to choose from such as local produce, honey, jams, jellies, gifts, tasty snacks, fresh apple cider, and of course our famous apple butter. We grow a variety of apples and other fruits right here at the farm for you and your family to enjoy.

Bakery

Did you know we make over 1 million fried pies a year? Come and enjoy one of our world-famous fried apple pies, or one of our many other flavors, such as blackberry, blueberry, chocolate dipped, cream cheese, lemon, and other seasonal flavors.

Our bakery is famous for making other tasty treats such as apple cider donuts, apple cinnamon bread, and warm apple fritters. In addition to our bakery staples, we periodically offer a variety of breakfast and deli items for you to enjoy during your visit.

Candy Kitchen

Our Candy Kitchen is filled to the brim with sugary confections – a testament to generations of sweet traditions! Located near our bakery in the back of the store, it's always filled with sweet treats such as fudge, peanut brittle, caramel apples, and more! Whether you're searching for a nostalgic favorite or a new and exciting flavor, our Candy Kitchen promises a delicious adventure.

Winery & Hard Cider

Hard Cider and wine are available year-round here at Mercier Orchards. We were one of the first orchards in Georgia to grow, press, ferment, and bottle our own ciders. Throughout the year, we offer more than a dozen hard ciders, from classic favorites, like Grumpy Granny, to specialty seasonal flavors, like Jalapeacho. We also produce our very own seasonal wines, and carry a wide variety of local wines, meads, and more. Come in, enjoy a tasting flight, and you'll be "hard-pressed" not to take some home.
