Andrew Means excellence!

My Andrew journey

Within the first two weeks of arriving on campus, I was completely comfortable and all of my new friends immediately turned into family. As a member of the Fighting Tigers volleyball team, AndrewServes and as a recipient of the Pitts Scholarship, my education was my top priority. My professors made my education their priority as well. They knew my name, my major, my involvement on campus, but most importantly they set me up to be successful. I feel extremely prepared and grateful for all of my experiences at Andrew. It will always hold a special place in my heart—Once a Tiger, Always a Tiger!

Our Mission

Andrew College—the United Methodist beacon of educational, spiritual, and cultural uplift to Southwest Georgia since 1854—prepares students for lives of servant leadership and purpose through higher education that is relevant to its region and beyond.

We love to teach!

“Andrew’s faculty focus on preparing students how to think, not what to think. We give students the tools to learn.”

— Farrah Senn
Assistant Professor of English

Andrew Means *finding your passion*

We offer two-year programs in the arts, which provide a unique opportunity for you to begin your formal study, or just pursue your dreams and interests.

Fine and Performing Arts

Music

Music students can concentrate in voice and piano and earn their Associate of Music degree. In addition, certificates are also offered in church music (option to study organ) and musical theatre.

Theatre

Theatre students are able to be involved in productions beginning as early as their first semester, giving them valuable experience both on stage and behind the scenes.

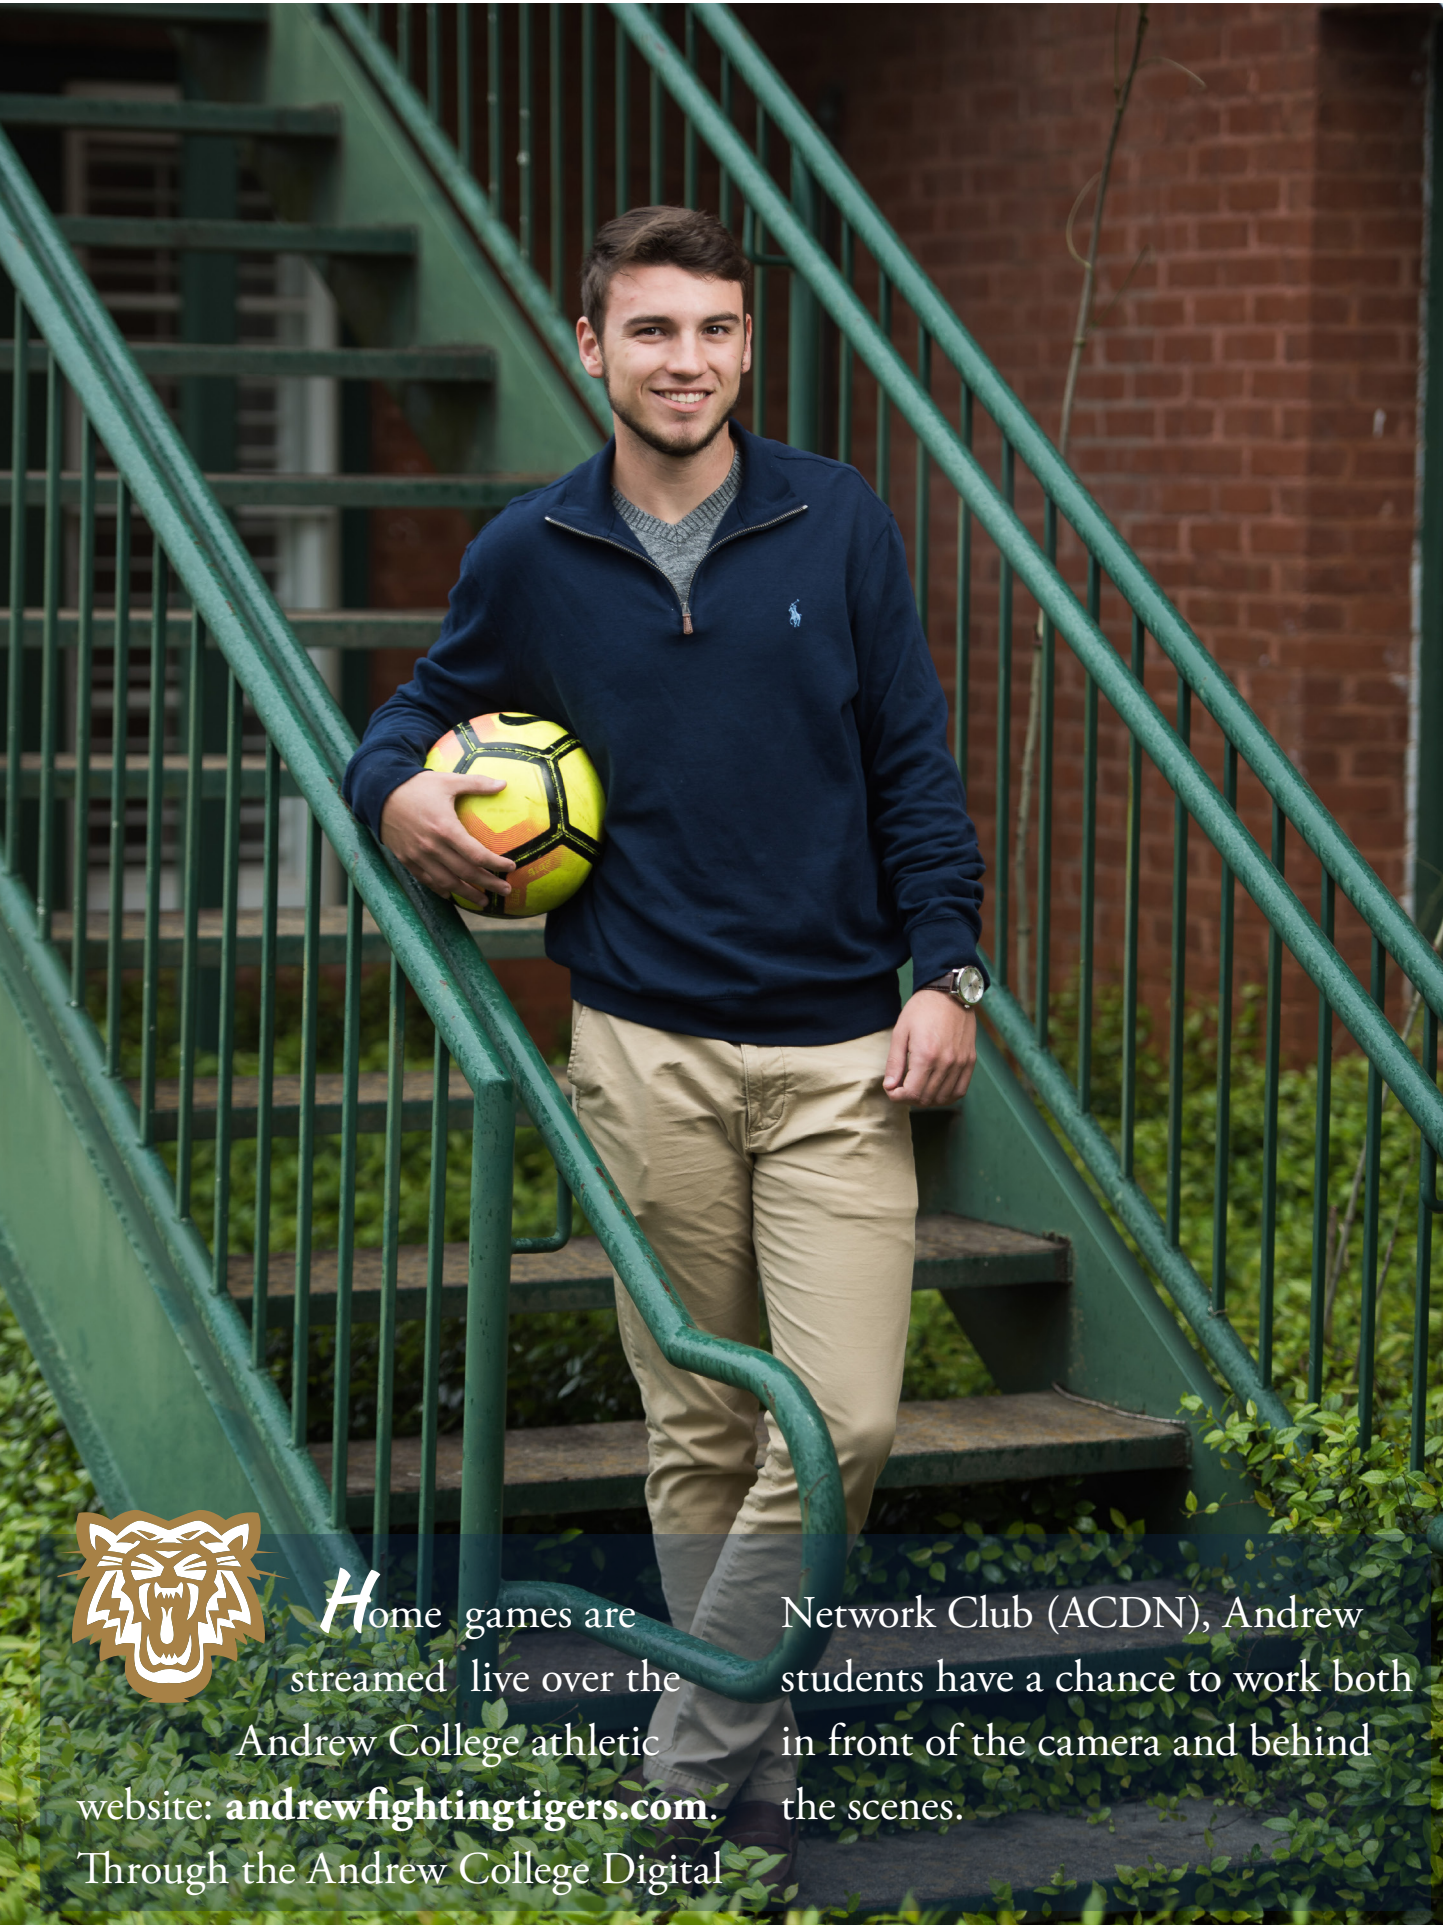

Art

The Associate of Arts degree in Visual Arts is designed to provide a college level introduction to drawing, painting, color and design, 2-D design, 3-D design, ceramics, art history and photography.

Andrew Means *developing your talents*

Andrew College currently fields eight intercollegiate teams that compete in the National Junior College Athletic Association (NJCAA) as a member of the Georgia Collegiate Athletic Association (GCAA).

MEN'S	WOMEN'S
Baseball	Basketball
Basketball	Golf (coming 2019)
Golf	Soccer
Soccer	Softball
	Volleyball

Home games are streamed live over the Andrew College athletic website: **andrewfightingtigers.com**. Through the Andrew College Digital Network Club (ACDN), Andrew students have a chance to work both in front of the camera and behind the scenes.

Andrew Means *getting involved*

Our active intramural program gives all students the chance for friendly competition. Or, get involved with a club or organization. Events on our campus calendar could include scavenger hunts, hypnotists, comedians, carnivals or movies on the lawn. A sampling of what you'll find to do on campus is listed below.

And, if you're into outdoor activities like hiking, camping, kayaking, zip lining and fishing, there are plenty of opportunities for that in the area. We're also within driving distance of Florida's Gulf Coast beaches, as well as Atlanta and the North Georgia mountains.

For water excitement, the longest urban whitewater rafting in the world is located just a short drive away in Columbus! And festivals in the area revolve around music and down-home Southern comfort food. With mild springs and cool winters, Andrew is a great place to explore the outdoors all year.

If you're not much of an explorer, don't worry.

At the center of our 40-acre campus sits a public green space: the perfect location for pick-up football games and ultimate Frisbee tournaments. It's also a nice place to enjoy a book, study for an upcoming test or just soak up some sun.

Or join in the fun at our annual Campus Con (like Comic Con), billed as "a celebration of all things geeky," like video game tournaments, role-playing games and panel discussions with graphic novel artists.

Museums also abound in Columbus and Albany, and there's always shopping, movies and eating when you need a study break!

Andrew means *reaching higher*

Honors Program

Andrew College students who wish to acquire additional leadership skills are invited to apply for the honors program. Students in the program benefit from honors courses and honors course sections, the opportunity to attend and present at undergraduate research conferences, special field trips and other activities.

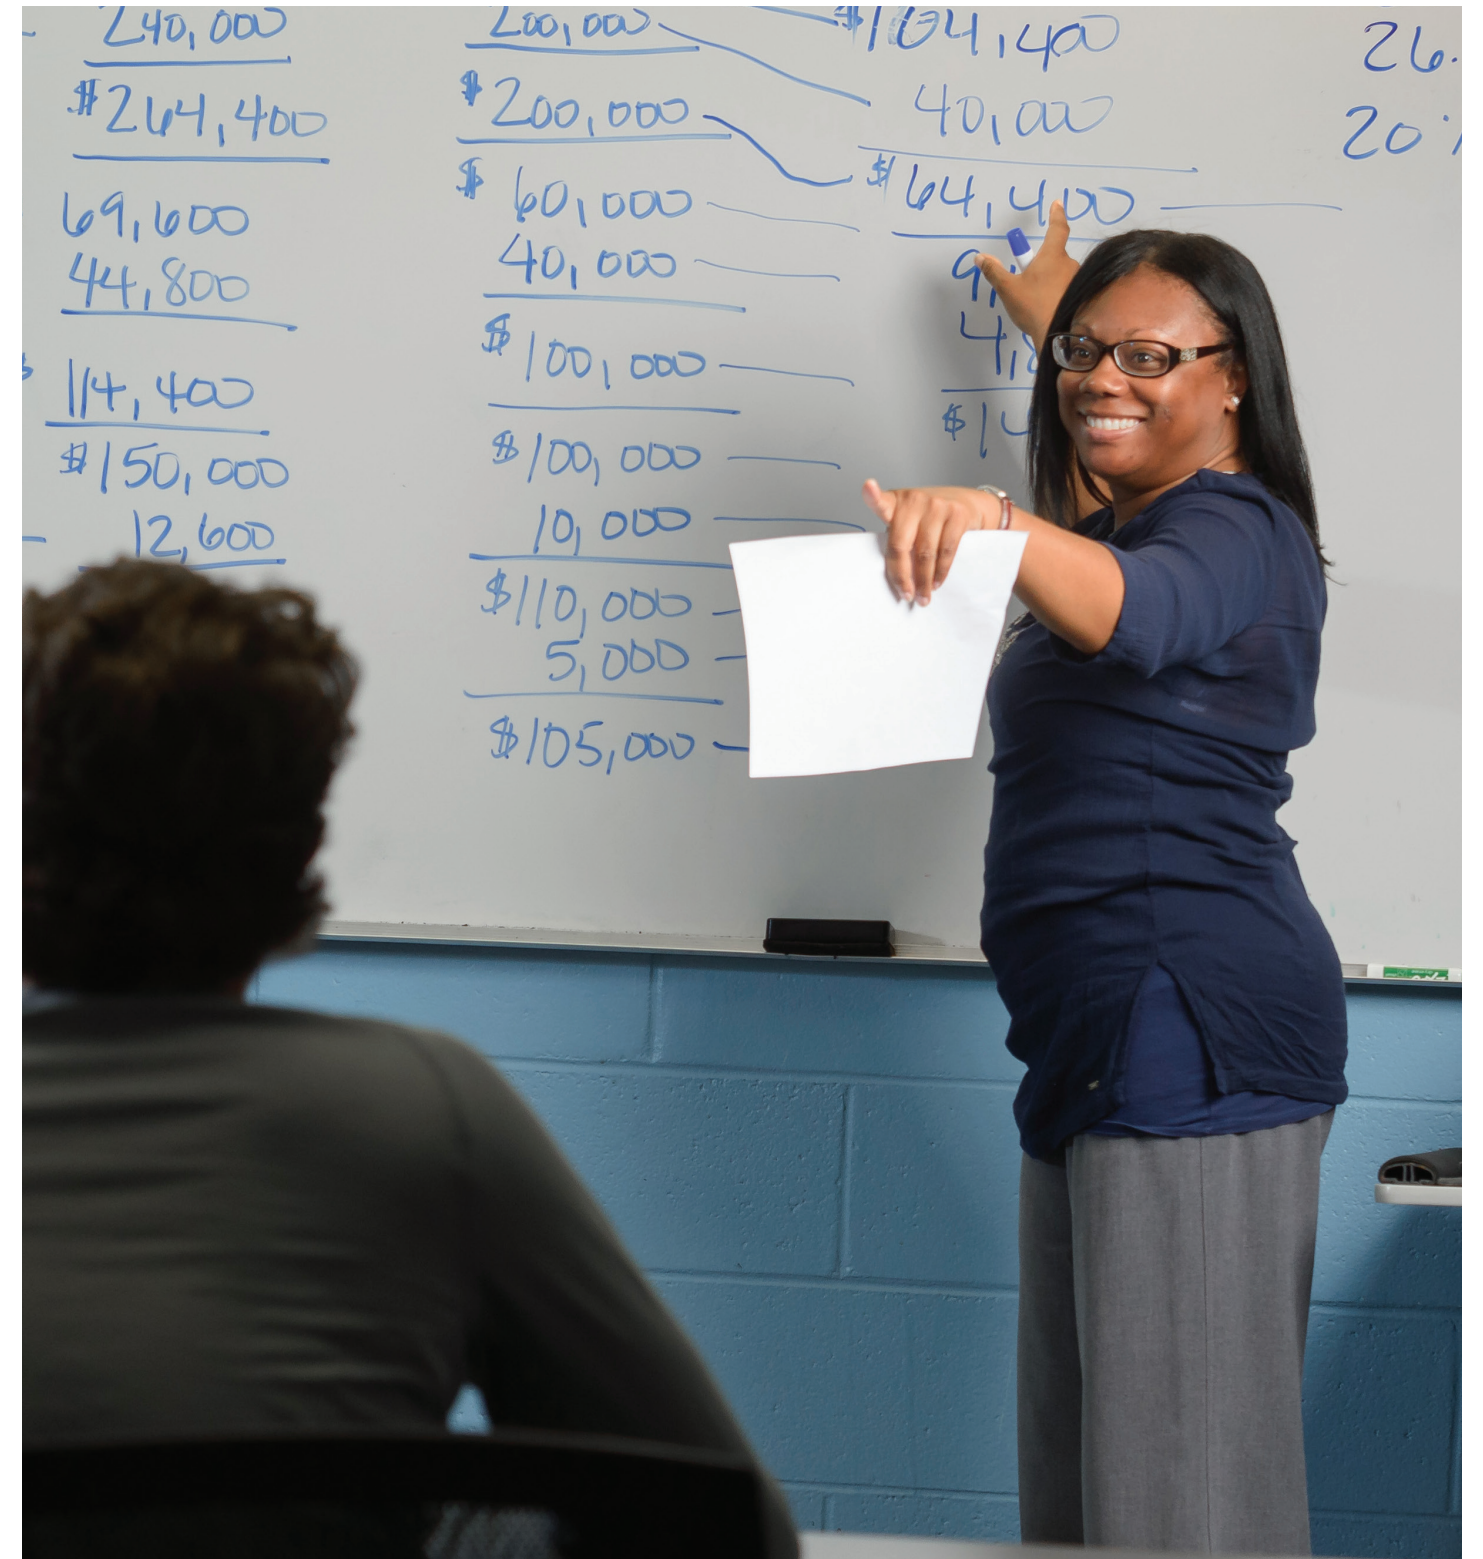

Phi Theta Kappa

PTK is a national honor society for two-year colleges. Chartered in 1953, Andrew College's Theta Lambda chapter has been nationally and internationally recognized throughout the years, including receiving awards in advising, research, and scholarly writing.

AndrewServes

The premiere servant leadership organization on the Andrew College campus, students involved in the AndrewServes program engage with nonprofits, schools and other service providers to improve the community and develop their leadership skills through service to others. Along the way, they also have a lot of fun!

Students selected as AndrewServes scholarship recipients receive some of the largest academic scholarships on campus. AndrewServes scholarships are announced each spring. However, students not on AndrewServes scholarships are welcome to participate in many service activities.

Our new 4-year business administration program will reward you with the skills you need to be successful in today's fast-paced business environment. Your classroom learning will transfer easily to real world situations.

“*P*laying basketball at Andrew has given me the feeling of being part of a family, not just a team. We all step out on the court whether it is practice or a game and we push each other to go hard no matter what. I am really looking forward to what the season holds for us this year!”
