

LIVE LIFE IN *Lavonia* FRANKLIN COUNTY, GEORGIA

LAVONIA is a city that embraces rich history while welcoming developmental growth. Leaving the busy interstate, exit 173 imparts a feeling of calmness and serenity, while historic downtown Lavonia is a quaint “southern” town, featuring historic painted murals, antique shops, specialty boutiques and restaurants in the turn-of-the century buildings around a town square.

We are proud to applaud our Cultural Center which hosts award winning plays and musical events.

The newly completed

ST. MARY'S SACRED HEART

offers the surrounding area state-of-the-art healthcare in its 56 bed hospital plus physician offices boasting a multitude of specialists.

TUGALOO

STATE PARK,

located on beautiful Lake Hartwell, features a new tournament mega boat ramp, fishing, hiking, cottages, camping, swimming, tennis and miniature golf.
