FRIENDS WITH MOTHER NATURE.

LEED Silver Certified, Atlanta Airport Marriott Gateway sets a new standard for Green meetings. Our white roof reduces heat absorption, while innovative landscaping cuts water consumption by 50%. Guest rooms were designed to maximize water and energy efficiency, and constructed using environmentally-friendly carpets, sealants and wall coverings. Even the hotel's location was carefully planned to put guests just two minutes from the airport via complimentary ATL SkyTrain, and steps from downtown Atlanta via MARTA rail.

A MENU FOR EVERY TASTE.

Connect with colleagues and friends in the spacious, comfortable open lobby and high-energy bar, where a unique menu offers breakfast, lunch, or dinner in a casual atmosphere. Get the group together for our daily breakfast buffet at Champions Restaurant & Bar, then come back after the meeting to catch the game on one of our 28 flat-screen HDTVs and order up lunch or dinner while enjoying over 60 beers, including 14 on tap.
