OFFICIAL VISITORS GUIDE

WELCOME

TO THE CITY OF FORSYTH & MONROE COUNTY, GEORGIA

There's a magical place nestled in the heart of Georgia. The City of Forsyth and Monroe County is centrally located close to Georgia's most thrilling attractions, on the pathway to and from the coastal regions. It is rich in beauty and adventure.

Each visit should begin with a taste of fried green tomatoes at the world-famous Whistle Stop Café in Juliette or a meal from the award-winning Grits Café in Forsyth. Stroll through the gift shops and boutiques in town and try other culinary delights and sweet treats like Castleberry Drug and Soda Fountain for old-fashioned cherry and vanilla Cokes, the bakeries at the BlueTick Mercantile Co. and Jonah's on Johnston St., or traditional Southern fare at Forsyth Country Cookin'.

Forsyth is the "Public Safety Capital of Georgia." It is where 45,000 heroes come to train annually. Visit the Public Safety Memorial at the Georgia Public Safety Training Center, where we honor those who have made the ultimate sacrifice.

If history is your thing, must-sees are Forsyth's historic sites and Confederate Cemetery. Don't miss the opportunity to explore nearby Culloden, one of seven Monroe County sites listed on the National Register of Historic Places. Visit Culloden Cemetery to learn about the last Civil War battle fought in Georgia after the South surrendered. Hungry? Stop in at Lockett's Kuntry Cooking.

We have celebrations all year round! Visit Forsyth in March and celebrate the advent of spring at our annual Forsythia Festival!

Downtown Forsyth

Cool off with us at the Fall Festival on the Square, or take a short drive to Juliette for the Green Tomato Festival.

Stroll around the square any time of year to enjoy Monroe County's 1896 red-brick Victorian courthouse and the charming turn-of-the-century environment. If you happen to be in town during a performance at the delightfully intimate Rose Theater, you're in for a treat.

Make a splash at the High Falls Water Park, featuring two thrilling waterslides. Or, nearby at High Falls State Park, enjoy the sound of the Towaliga River as it crashes down the falls, the beautiful trails, the power house ruins and more. Hungry? Give Kassie's Café, the Hot Dog House, or Falls View Restaurant a try.

With its location on I-75, Forsyth is a great place to rest and renew for a day (or several) as you travel to and from. Or take a scenic drive past cattle ranches and unspoiled forests. Don't miss the Splash Pad and Pumptrack while in Forsyth. Practice your aim at Meadows Gun Club in Smarr.

Explore the City of Forsyth for all its hidden gems and for a fine meal at an award-winning restaurant and a good night's sleep in one of several comfortable hotel/motel accommodations or the KOA campground. Forsyth KOA has mini golf and mining for arrowheads, gems and crystals. Open to the public daily.
