About the Market

Whether working on my uncle's dairy farm as a young boy or providing fresh produce and proteins year round to our employees from our local farm, agriculture has always been a big part of my life.

What's so incredible to see today is the evolving landscape of farming and how our changing culture is influencing our food system.

At Farmview Market we want to provide a truly unique food and educational experience for you.

WHEN YOU VISIT, YOU CAN EXPECT:

- ★ Knowledgeable and enthusiastic customer service
- ★ Honest brands chosen with care
- ★ Seasonal products that highlight the abundance of our region
- ★ An atmosphere that promotes health & wellness in our community

Farmview Market is a family run operation. And, we all bring passion each day to share with you. From our family to yours, we invite you to visit Farmview Market and taste the difference.
